SCHOLASTIC.

From High Prairie. SCHOOL DISTRICT, No. 29,

LEAVENWORTH COUNTY, Kansas, say that a scholastic term of four months terminated this evening, at Faulkner's The following officers were present: chool house.

of the term, that an examination would be held at the close of the session when the worthy school board, and patrons, and t-achers were so icited to attend.

Accordingly the examination of the classa was began this morning, at the appointed time, in the presence of qui e a number of ladies and gentlemen, who were interestin the progress of the pupils, and the exercircs were continued until nearly five o'clock

The students performed well, under the circumstances, this being the first time that any one of them has been publicly . xamined and no select lessons having been assigne

It was obvious that the scholars had acquired a correct knowledge of the principle of the different sciences, which have claimed their time and attention during the four cold months.

Mu h credit is due to the parents and friends of the school who were present to sitness the performance of their children ail of whom were apparently well pleased THE SURPRISE.

At 12:30 a recess was ann unced, when a long table was brought in by the gentlemen, and given over to the tadies, who, in a few minut s headed it heavily with the many of Hostetter's Stomach Bitters in cases of degood things that build up the inner man. The speciator-, scholars and teacher were invited to come around the festal board and par ake of the rich and deneate daintie-The Certain Series of Series S and the cholars, what we can be nested the cholars, that the tracher and

The Cheapest.

Reliable articles like Dr. Price's Special Flavoring Extracts, Vanilla, Lemon, Orange, Ginger etc., that have stood the test of the best judges in the country, are the cheapest in the long run, if health is to be considered. Pure goods have a fair valuation; adulterated articles can be sold cheap, and many dealers sell such mixtures in preference to strictly pure articles, as they preference to strictly pure articles, as they afford a better profit. 1td&w
